Aura D
Overbed light

The colour of comfort

Perfect for hospitals and healthcare, our Australian designed surface mounted lighting provides patients and staff with superior comfort and versatility.

PLANET
LIGHTING

Aura D
Overbed light

Offering a sleek design, dimming control and supreme lighting versatility, the Planet Lighting Aura D overbed light gives patients and staff the lighting they need to thrive.

AURA FEATURES

Slimline design

Aluminium body

Antimicrobial coating

Individual switching of uplight and downlight

High efficacy of 150 lm/W
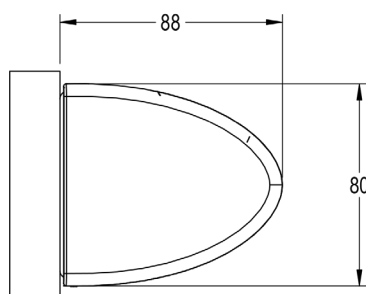

Dimming control

Easy to clean

Excellent glare control

1000mm and 500mm length options

90 CRI **3/4000K CCT** **53000 L70**

ANTIMICROBIAL SILVER ION TECHNOLOGY | **MULTI APPLICATION** | **MADE IN AUSTRALIA** | **ANTI GLARE** | **HIGH EFFICIENCY** | **3 YEAR WARRANTY**

GENERAL SPECIFICATIONS

- CRI: 90

- Colour temperature: 3000k and 4000k option

- Efficacy 150 lm/W

- Dimensions (mm):
  S (standard) model: 88 x 80 1000
  C (compact) model: 88 x 80 x 500

DIMMING CONTROL
Dual DALI drivers for dimming control.

DIMMABLE

INDIVIDUAL SWITCHING
Individual switching of up and downlight.

DESIGNED AND MADE IN AUSTRALIA
Manufactured in Australia and built to conform to and exceed rigorous Australian standards and testing.

ANTIMICROBIAL
AkzoNobel BioCote® Antimicrobial silver ion technology coating.

Antimicrobial
silver ion technology

SUPERIOR DISTRIBUTION
Our tapered lens design and opal diffuser lens makes even light distribution and suppresses uncomfortable glare.
